FRIDAY NIGHT FOOTBALL- A HUGE SUCCESS!!!

☀️ Our Friday Night Football sessions are our flagship sessions at JH Football School & Coaching and continue to set the standard for everything we do. Earlier this year, we proudly celebrated FNF 1-year anniversary — a fantastic milestone that highlights the growth, consistency, and strong community spirit behind these sessions.

Week after week, we're seeing fantastic turnouts, great energy, and players developing their skills in a fun, competitive environment. From teamwork to confidence building, it's been amazing to watch the players grow — and most importantly, enjoy their football. 💪⚽

Thank you to everyone who's taken part and helped make Fridays the highlight of the week!
